

REMARKS

The Examiner indicated that claims 76-78 and 82-90 contained allowable subject matter and would be allowed if amended so as not to depend from any rejected claim and so as to incorporate the limitations of each claim from which they depend.

By the amendments contained herein, claims 76 and 82 have been so amended. Claims 77 and 78 depend directly or indirectly from claim 76, and are allowable at least on this basis as well. Additionally, claims 65-68 and 70-73 have now been made dependent upon claim 76, and are allowable at least on this basis as well. Claims 83-90 depend directly or indirectly from claim 82, and are allowable at least on this basis as well. Claims 1-64, 69, 74, 75, 81 and 91-101 are hereby cancelled without prejudice.

Accordingly, Applicants submit that this application is now in condition for favorable consideration, culminating in allowance. Such action is respectfully requested.

Respectfully submitted,

Richard D. Conard
